

STRUCTURAL BASIS OF MEDICAL PRACTICE
BLOCK EXAM #2
September 1, 2005

- | | |
|--|---|
| ① Superior Gluteal Nerve | 26. Circumflex Artery |
| ② Obturator Internus Tendon | 27. Hemiazygous Vein |
| 3. Thoracic Duct | 28. Marginal Artery |
| 4. Dorsalis Pedis | ②⑨ Descending branch of lateral fem. circumflex |
| 5. Right Superior Intercostal Vein | ③⑩ Transverse Genicular Ligament |
| 6. Interosseous Membrane | 31. Quadratus plantae |
| 7. Medial Femoral Circumflex Artery | 32. Lumbrical (4th) |
| 8. Transverse Acetabular Ligament | 33. Saphenous Nerve |
| 9. Deep Peroneal Nerve | 34. Obturator externus |
| 10. Ligamentum Arteriosum | 35. Superficial Peroneal Nerve |
| ⑪ Arch of Aorta | 36. Peroneal Artery |
| ⑫ External Intercostal Membrane | 37. Eparterial Bronchus |
| 13. Anterior Tibial Recurrent A/V | 38. Calcaneal Branch (Tibial Nerve) |
| 14. Tibial Collateral Ligament | 39. Inferior Medial Genicular Artery |
| 15. Anterior Branch of Obturator Nerve | 40. Trabeculae Carneae |
| 16. External Pudendal | ④① Iliopsoas |
| 17. Rami Communicans | ④② Lingula |
| 18. Extensor Expansion/Dorsal Hood | 43. Middle Cardiac Vein |
| 19. Pes Anserinus | 44. Posterior Cruciate Ligament |
| 20. Carina | ④⑤ Nodal Artery |
| ④① Spring Ligament | ④⑥ Sympathetic Trunk |
| ④② Moderator Band/Septomarginal Trabeculae | 47. 3rd order bronchus |
| 23. Anterior Papillary Muscle | 48. Greater Splanchnic Nerve |
| 24. Dorsal Venous Arch | 49. a) Ant. Tibial Artery b) Peroneal Artery |
| 25. Lactiferous Duct | 50. a) Left Atrium b) Left Ventricle |
