

Tentative Answer Sheet
 STRUCTURAL BASIS OF MEDICAL PRACTICE
 BLOCK EXAM #6
 October 7, 2005

- | | |
|--|--|
| 1. <u>Serratus posterior superior</u> | 26. <u>Superior transverse scapular ligament</u> |
| 2. <u>Deep Ulnar Nerve</u> | 27. <u>Coracoacromial ligament</u> |
| 3. <u>Common palmar digital artery</u> | 28. <u>Lateral cord</u> |
| 4. <u>Superior thoracic artery</u> | 29. <u>Lateral band</u> |
| 5. <u>Princeps pollicis artery</u> | 30. <u>Interspinal ligament</u> |
| 6. <u>Lumbrical muscle</u> | 31. <u>Long thoracic nerve</u> |
| 7. <u>Iliocostalis muscle</u> | 32. <u>Extensor pollicis longus</u> |
| 8. <u>Recurrent median nerve / <i>Palm digital</i></u> | 33. <u>Dorsal scapular nerve</u> |
| 9. <u>Greater occipital nerve</u> | 34. <u>Annular ligament</u> |
| 10. <u>Deep transverse metacarpal ligament</u> | 35. <u>Superficial ulnar nerve</u> |
| 11. <u>Ligamentum nuchae</u> | 36. <u>Vertebral artery</u> |
| 12. <u>Extensor carpi radialis longus</u> | 37. <u>Glenoid labrum</u> |
| 13. <u>Glenohumeral ligament</u> | 38. <u>Radial artery</u> |
| 14. <u>Flexor digitorum profundus</u> | 39. <u>Deep radial nerve</u> |
| 15. <u>Anterior interosseous artery</u> | 40. <u>Suprascapular N</u> |
| 16. <u>Interosseous membrane</u> | 41. <u>Serratus Anterior Muscle</u> |
| 17. <u>Subscapular artery</u> | 42. <u>Transverse humeral ligament</u> |
| 18. <u>Dura matter / <i>Sac</i></u> | 43. <u>Middle collateral artery</u> |
| 19. <u>Subscapularis muscle</u> | 44. <u>Thoracodorsal nerve</u> |
| 20. <u>Anterior longitudinal ligament</u> | 45. <u>Radial collateral ligament</u> |
| 21. <u>Profunda brachii artery</u> | 46. <u>Posterior humeral circumflex artery</u> |
| 22. <u>Deep palmar arch</u> | 47. <u>Dorsal carpal arch</u> |
| 23. <u>Denticulate ligament</u> | 48. <u>Deep radial nerve</u> |
| 24. <u>Anterior interosseous nerve</u> | 49. <u>a) coracoid process b) supraspinatus muscle</u> |
| 25. <u>Radial nerve</u> | 50. <u>a) pedicle b) spinous process</u> |
